

# If You Had My Love (Dark Child Master Mix)

Jennifer Lopez

Ay yo, you know what I feel like doing?  
I feel like doing another Darkchild remix  
'99, Darkchild, JenniferCome on and dance a little  
Let me see you dance a little  
I like it when you dance a little  
Baby work it out and just dance a littleCome on and dance a little  
Let me see you dance a little  
I like it when you dance a little  
Baby work it out and just dance a littleCome on and dance a little  
Let me see you dance a little  
I like it when you dance a little  
Baby work it out and just dance a littleNow if I give you me  
This is how it's got to be  
First of all I won't take you cheating on me  
And who can I trust, if I can't trust in you  
And I refuse to let you play me for a foolYou said that we could possibly spend eternity  
See that's what you told me, that's what you said  
But if you want me  
You have to be fulfilling all my dreams  
If you really want me babyIf you had my love  
And I gave you all my trust  
Would you comfort me?  
And if somehow you knew  
That your love would be untrue  
Would you lie to me?  
And call me babyYou said you want my love  
And you've got to have it all  
But first there are some things you need to know  
If you wanna live with all I have to give  
I need to feel true love or it's got to end, yeahI don't want you tryin' to get with me  
And I end up unhappy  
I don't need the hurt and I don't need the pain  
So before I do, give myself to you  
I have to know the truth  
If I spend my life with youIf you had my love  
And I gave you all my trust  
Would you comfort me?  
And if somehow you knew  
That your love would be untrue

Would you lie to me?  
And call me babyIf you had my love  
And I gave you all my trust  
Would you comfort me?  
And if somehow you knew  
That your love would be untrue  
Would you lie to me?  
And call me babyCome on and dance a little  
Let me see you dance a little  
I like it when you dance a little  
Baby work it out and just dance a littleCome on and dance a little  
Let me see you dance a little  
I like it when you dance a little  
Darkchild, Jennifer Lopez, come onIf you had my love  
And I gave you all my trust  
Would you comfort me?  
And if somehow you knew  
That your love would be untrue  
Would you lie to me?  
And call me babyIf you had my love  
And I gave you all my trust  
Would you comfort me?  
And if somehow you knew  
That your love would be untrue  
Would you lie to me?  
And call me baby
