Unravel

Novus Dae

While you were away, my heart comes undone
Slowly unravel, in a ball of yarn
Never collects it, and with a grin
Our love in a ball of yarn
You'll never return it
(When you come back, we'll have to make new love)
You'll never return it
(When you come back, we'll have to make new love)
While you were away,my heart comes undone
Slowly unravels, in a ball of yarn

That never collects it, and with a grin
Our love in a ball of yarn
You'll never return it
(When you come back, we'll have to make new love)
You'll never return it
(When you come back, we'll have to make new love)
You'll never return it
(When you come back, we'll have to make new love)
You love, ooh oh, ooh ooh, ooh oh
