

# Slippin' and Slidin'

**Justin Townes Earle**

I shoulda learned better,  
I'm old enough to know.  
Slippin' and slidin', feelin' low.Yeah it's a sit back at best,  
A shame for sure, babe.  
Slipping and slidin', feelin' low.Now I'm waking up feelin' bad again.  
I'm losing patience with my only friend.  
Why do I try my luck?  
I should never touch the stuff,  
but it's shouldn't make any difference mama,  
As long as I keep up appearances, Lord.I've been workin' too hard,  
I need some time at home,  
Slippin' and slidin', and feelin' low.
