Advisory - the following lyrics contain explicit language:

Your word is life
Your word is love
Your word is truth
Your word is life
Your word is love
Your word is truth Your word is life
Your word is love
Your word is truth
Your word is life
Your word is love
Your word is truth Everybody's looking for something to believe in
Lord, I find the faithful are few and far between
The more I read about You
The less I've cause to doubt You
What You say, Lord, You mean
Now I've seen I can take You at Your word
And my heart can rest assured
Lord, I love You
Oh, I trust You
As I live I've learned
I can take You at Your word Your name is written here on my life in love and kindness
Your word is hidden here in my heart to guard my soul
I've heard the gospel of
Your redeeming love
What You say, Lord, You do
I know it's true I can take You at Your word
And my heart can rest assured
Lord, I love You
Oh, I trust You
As I live I've learned
I can take You at Your word Your word is life
Your word is love

Your word is truth
Your word is life
Your word is love
Your word is truth Say You, say Your word
Yeah, You say Your word
Yeah, You say, yeah yeah yeah
Say You, say Your word
Yeah, You say Your word
Yeah, You say Your word to me
And Your word is a light to my path I can take You at Your word
And my heart can rest assured
Lord, I love You
Oh, I trust You
As I live I've learned
I can take You at Your word Your word is life
Your word is love
Your word is truth
I will trust in You
Your word is life
Your word is love
Your word is truth Your word is life
Your word is love
Your word is truth
I will trust in You
Your word is life
Your word is love
Your word is truth
I will trust in You Your word is life
Your word is love
Your word is truth
I will trust in You
Your word is life
Your word is love
Your word is truth
I will trust in You Your word is life
Your word is love
Your word is truth
I will trust in You
