U + Ur Hand

P!nk

Check it out, goin' out on the late night
Lookin' tight, feeling nice; it's a cock fight
I can tell I just know that it's going down, tonight
At the door, we don't wait 'cause we know them
At the bar, six shots just beginnin'
That's when dick head put his hands on me
But ya see

[Chorus]
I'm not here for your entertainment
You don't really wanna mess with me tonight
Just stop and take a second
I was fine before you walked into my life
Cause you know it's over, before it began
Keep your drink, just give me the money
It's just you and your hand tonight

Midnight, I'm drunk, I don't give a fuck
Wanna dance by myself, guess you're out of luck
Don't touch, back up, I'm not the one
Buh-bye
Listen up, it's just not happenin'
You can say what you want to your boyfriends
Just let me have my fun tonight, a'ight

[Chorus]

You're in the corner with your boys; you bet them five bucks
You'd get the girl that just walked in, but she thinks you suck
We didn't get all dressed up just for you to see
So quit spilling your drinks on me

You know you are
High five and talking shit
But you are going home alone
Aren't ya?

[Chorus: x2]
