

# U + Ur Hand

## P!nk

Check it out, goin' out on the late night  
Lookin' tight, feeling nice; it's a cock fight  
I can tell I just know that it's going down, tonight  
At the door, we don't wait 'cause we know them  
At the bar, six shots just beginnin'  
That's when dick head put his hands on me  
But ya see

[Chorus]

I'm not here for your entertainment  
You don't really wanna mess with me tonight  
Just stop and take a second  
I was fine before you walked into my life  
Cause you know it's over, before it began  
Keep your drink, just give me the money  
It's just you and your hand tonight

Midnight, I'm drunk, I don't give a fuck  
Wanna dance by myself, guess you're out of luck  
Don't touch, back up, I'm not the one  
Buh-bye

Listen up, it's just not happenin'  
You can say what you want to your boyfriends  
Just let me have my fun tonight, a'ight

[Chorus]

You're in the corner with your boys; you bet them five bucks  
You'd get the girl that just walked in, but she thinks you suck  
We didn't get all dressed up just for you to see  
So quit spilling your drinks on me

You know you are  
High five and talking shit  
But you are going home alone  
Aren't ya?

[Chorus: x2]
