

The Road I'm On

3 Doors Down

She said, "Life's a lot to think about sometimes
When you're living in between the lines
And all the stars are sparkling, shine everyday" He said, "Life's so hard to move in sometimes
When it feels like I'm towin' the line
And no one even cares to ask me, why I feel this way" And I know you feel helpless now
And I know you feel alone
That's the same road
And the same road that I'm on, yeah He said, "Life's a lot to think about sometimes
When you keep it all between the lines
And everything I want and I want to find one of these days" yeah But what you thought was real in life
Oh, has somehow steered you wrong
And now you just keep drivin'
Tryin' to find out where you belong And I know you feel helpless now
And I know you feel alone
Well that's the same road
And the same road that I'm on, yeah, yeah, yeah, hey, hey What you thought was real in life
Has somehow steered you wrong
And now you just keep drivin'
Tryin' to find where you belong I know you feel helpless now
And I know you feel alone
That's the same road
And the same road that I'm on, yeah, yeah, yeah, hey, hey Oh no, no, no, no, no, no
Oh no, no, no
Oh no, no, no, no
