

# Do Ya

## Peaches

Livin' the dream  
Whatever that means  
It's time to come clean  
When you're rockin' the scene

I am the one who will take you  
Do you wanna go?  
Be in my show  
You could shake it a bit  
Or scream and sweat  
Some people get so wet  
They need contact write that

[Chorus]  
Do ya do ya do ya do ya  
Do ya do ya do ya do ya

See that dream  
Up on the screen  
It's time to come clean  
And make your own scene

I am the one who will take you

[Chorus: x2]

Some people get so wet  
They need contact write that  
I am the one who will take you

[Chorus: x2]
