## Smothers Brothers

You've always been a friend of mine  
And that's the way we'll be 'til the day I die  
Yeah, it's good to know you're on my side  
'Cause now you know she's leaving me  
And I need your help to make her see  
So turn on your charm and let it shine  
'Cause you've always been the one  
Who could make her stay around  
So when she gets to the city limit sign  
    Don't let me down  
    Oh Laredo, don't let her go  
        Just take her by the heart  
        And let the wheels turn slow  
    Oh Laredo, you're my only hope  
    So get her back to the day we met  
    'Cause that's as far as she needs to get  
    And oh, but please don't let her go  
        Oh Laredo  
    Make her think about the moonlit walks  
    And the long, long talks by the waters edge  
    With her feet hanging off the cane creek bridge  
        And bring to mind the first kiss we shared  
At the old town square when she drives down there  
    'Cause that's a day she said she could never forget  
    Keep the nights by the candlelight  
        As an ace in the hole  
    'Cause those are nights of passion  
    That I know will bring her home  
        Oh Laredo, don't let her go  
        Just take her by the heart  
        And let the wheels turn slow  
    Oh Laredo, you're my only hope  
    So get her back to the day we met  
    'Cause that's as far as she needs to get  
    Oh, but please don't let her go  
        Oh Laredo  
    Oh Laredo, don't let her go  
        Take her by the heart  
        And let the wheels turn slow

Oh Laredo, you're my only hope  
So get her back to the day we met  
'Cause that's as far as she needs to get  
Oh, but please don't let her go  
Oh Laredo  
Don't let her go  
You're my only hope  
Oh Laredo
