

Dolly Rocker

Syd Barrett

(Dolly Rocker... It's called Dolly Rocker... It's an old make of dress...

Well, months old, you know.. that sort of thing)I know a sweet girl

she done went out and paid for me

done a sweet girl

after five we went for tea

She seen a Dolly Rocker

She wan' a girl, she got her

I wanna see her, I know I do

I love you darling, all for you.You wan' a meet Pearl?

she's as cute as a squirrel's nut.

She done seen me

said she thought she got the lot.

She's a Dolly Rocker

wan' a wait 'till I got her

said she knew I know we know I do

said she gotta see me lonely with you.Oceans may travel, away so long

senses in the gravel, to see yourself at home

nice to be at home

all I'll ever be forever

all my life, you see, when you got her

all I know, you know, I show you, baby

through your head push to you, baby

It's a Dolly Rocker.

She know what she got her

She seen a Dolly Rocker

She seen a Dolly Rocker

Mmmm-mm-mm
