Sacred Worlds

Blind Guardian

The realm's bleeding
It suffers -
Old an weakNo further arguing
There is war at hand
The system's failing
Engine's runningThen after all
I sense the end is dawning
These lunatics deny the truthI know I will not fail
There'll beWar
It's now or never
We shall stand together
One by one
This world is sacred
I'm coming home
War
It's now or never
We shall stand together
One by one
This world is sacred
I'm coming homeComing homeYou chase in twilight
And you know
You will be on your own
On your ownThe misery shown
I'll be alone in this hour
I face the unknown
Witness the endI'm bleeding. I'm fading
Here in my final hour
When long lost memories return
And a voice keeps calling
"All dead and gone
It's out of hand
Life is in motion"
I'm wishing. I'm fading
"Time to wake up
Face the truth"I'm sinking
I'm drowning
There's no doubt and no regret
"Time to reveal now"
This is no illusion

It is real
Carry on the flame
It's not over now
Watch me, I will rise
Time to reveal nowI know I will not fail
AnymoreI'm the one forever
All that really matters
Blessed realm
This world is sacred
I'm coming home
War
It's now or never
We shall stand together
One by one
This world is sacred
I'm coming homeYesterday's gone
There's no today, no tomorrow
I'm raised from the dead
The ritual failedThere at the gates
I'm left alone in this hour
Driven insane
I am left aloneAnd now I drown in deepest shadows
While the golden hall is sealed
I'm wishing
I'm fading
And I'm part of the machine
My eyes are the eyes of a dead man
And feel the unholy streamThe source of my power
T-energy
I'm in controlI will live forever
All that really matters
Blessed realm
This world is sacred
I'm coming home
War
It's now or never
We shall stand together
One by one
This world is sacred
I'm coming homeI spread my wings
But keep on falling
I should have known
I can see it coming
The war is over
There's whispering in the wind

Just let me out of here
There is no way
There's no end
While all the suffering goes on
All that I know
Is that I'm not insane
It's not over
