

# Love Is a Lonely Place Without You

[Cher](#)

Love is a lonely place without you, without you, without you  
I know I'm not alone  
I should not be afraid  
'Cause I hear your voice  
And I know you're there beside me  
And so I give my heart  
I live to love again  
But I can't let go  
Of the way I feel about you  
Love is a lonely place without you  
I miss you and you're almost here  
And I'm almost touching you  
Love is a place I have to hide away  
I'll never love this way again, again  
If love was ever true  
I know it was with you  
'Cause you touch my soul  
And you stay with me forever  
No tears, no sad goodbyes  
There are no reasons why  
But I'm holding on  
I believe in love eternal  
Love is a lonely place without you  
I miss you and you're almost here  
And I'm almost touching you  
Love is a place I have to hide away  
I'll never love this way again  
Though I'm moving on  
I'm still holding on, holding on, holding on  
Love is a lonely place without you  
I miss you and you're almost here  
And I'm almost touching you  
Love is a place I have to hide away  
I'll never love this way again, again  
Love is a lonely place, a lonely place  
Love is a lonely place, a lonely place  
Love is a lonely place, a lonely place
