

Set the World on Fire

Black Veil Brides

Saints born together to fight against their holy fables
The streets are where we pray
Hymns for the lonely, wretched and forgotten
The feeling in our hearts won't ever fade away We stand tall (united)
Watch them fall (divided)
Break the chains and now we'll show them all (fight) Fight for all you know
When your backs against the wall
Stand against the liars
Stronger than before
When your life becomes a war
Set the world on fire Sing out united against the ones you left in hatred
Our message of today
Like children crying when all they knew was dying
And we will raise our flags up
It's time for them to pay We stand tall (united)
Watch them fall (divided)
Break the chains and now we'll show them all (fight) Fight for all you know
When your backs against the wall
Stand against the liars
Stronger than before
When your life becomes a war
Set the world on fire Whoa oh
So sing it loud you hold the key
Whoa oh
We're the rebels and we're free
Whoa oh
It's time to burn all that you see
Whoa oh
Now the world belongs to me Fight for all you know
When your back's against the wall
Stand against the liars
Stronger than before
When your life becomes a war
Set the world on fire Proud in all you are
Showing every scar
As your badge of honor
When you can't take anymore
Of what they're living for

Set the world on fire
