

Waterfall

4 Strings

Look up to the sky
Look up to the sky Look up to the sky, you're my satellite
So very high and I feel so real
Energy inside of me Like a waterfall comin' over me
Like a waterfall I need to feel
You close to me, waterfall, waterfall Waterfall
Look up to the sky
Look up to the sky You're my satellite so very high
And I feel so real
Energy inside of me Like a waterfall comin' over me
Like a waterfall comin' over me Like a waterfall inside of me
Like a waterfall inside of me Like a waterfall comin' over me
Like a waterfall I need to feel
You close to me
