

# Sonic Boom

## Hi Fashion

Green gum lips so pink, hot neon pen  
Flash forward, take a picture of me  
I'm the prize at the endSwim the rainbow  
Drown in paint and sky  
I meet my melody  
Feeling she's fascinatingI'm super loud  
Like sonic boom  
Like racing trains  
Like bells at noonI'm super loud  
Like a sonic boom  
Like racing train  
Like bells at noonGreen gum so pink, hot neon pen  
Flash forward, take a picture of me  
I'm the prize at the endSwim the rainbow  
Drown in paint and sky
