

# Why I Am

## Dave Matthews Band

I grew from monkey into man  
then I crushed fifteen million with a wave of my hand  
I grew drunk on water turned into wine  
Till I was slave and master at the same damn timeIt's why i am  
why i am  
why i am  
Still here dancing with the GrooGrux KingOut of my head and into the room. Hello  
A king of men it makes no sense  
When I bow to the priest while I worship the witchBut it's why I am  
always the one to make you smile  
Why I am  
still snake in the woodpile  
It's Why I am  
still here dancing with the GrooGrux KingOut of my head and into the room  
So will my ghost takes me from you  
You can remember the fool that I am  
Dont cry baby don't cry  
The lose and the win of the world  
Wrong and right, us and them of the world  
It's the you and the me of the world  
Only one way out of the worldIts the lose and the win of the world  
Wrong and right, us and them of the world  
It's the you and the me of the world  
Only one way out of the world(Tim Reynolds solo)Its why I am  
unlikely to agree  
Why I am  
climbin out of my monkey tree  
Why I am  
still here dancin with the GrooGrux King  
we'll be drinkin Big Whiskey while we dance and sing  
and when my story ends its gonna end with him  
Heaven or Hell I'm goin there with the GrooGrux King  
Its Why i am  
the apple of your pretty eye  
Why I am  
a snake in the woodpile  
Why I am  
still here dancin with the GrooGrux Kingout of my head an into the room  
so will my ghost takes me from you

you can remember the fool that I am  
Dont cry baby don't cry
