Here I Am  
By:Da Hawg  
(4:58)

I know your heart is broken  
And if you wanna be loved girl  
Here I am I'm yours

Baby girl I'm ready  
For just the kissing and hugs  
Girl I'm feenin for your touch (Aye)

Turn down the lights let the mood get right I  
Ain't gone stop freakin until you get right  
Let me rub yo feet I know yo shoes get tight  
Been working all day now let me do it right  
He wanna play he ain't got no time to play  
When I'm thinking bout you night and day  
How I touch on yo body suck on yo body (Mhmhm)  
Touch on yo body suck on yo body

2xs Now if yo man walk in don't start crying on me because I Ain't trippin I got that iron on me

Baby girl sometimes we make a mistake in falling in love then you knew by now this ain't the one

I know your heart is broken  
And if you wanna be loved  
Girl Here I am  
I'm yours

Baby girl I'm ready For  
Just the kissing and hugs  
Girl I'm feenin for your touch (Aye)

That's a shame  
You ain't know a real nigga  
til you ran into a lame  
Ain't nothing worth than a  
Dream nigga tryna run some game  
Tryna make you think he all cause he

Out here selling cocaine but he ain't moving me cause I'm a G

2xs Now if yo man walk in don't start crying on me  
Because I Ain't trippin I got that iron on me

By the way  
Do he tell you just how pretty you are?  
Shining just like a star  
Prettiest Thang in the city you are  
And if you wanna be loved  
I'm lead star

I know your heart is broken  
Girl if you wanna be loved girl  
Here I Am  
I'm yours

Baby girl I'm ready  
For just the kissing and hugs  
Girl I'm feenin for your touch (Aye)

I know your heart is broken  
And if you wanna be loved girl  
Here I am  
I'm yours

Baby girl I'm ready  
For just the kissing and hugs  
Girl I'm feenin for your touch (Aye)
