

Cry to Heaven

Meat Loaf

Cry, baby, cry
Cry, cry to heaven
Say a prayer and light a candle
Toll a bellCry, baby, cry
Cry, cry to heaven
If that doesn't do it for you
Go ahead and cry like hellCry, baby, cry
Cry, cry to heaven
Storm the castle, stem the tide
Rise above yourselfCry, baby, cry
Cry, cry to heaven
If that doesn't do it for you
Go ahead and cry like
Go ahead and cry like
Go ahead and cry like hell
