Do You Wear The Mark

Danzig

Devil on my left
An angel on my right
There's no mistake
Who I'll be with tonightThen over in the fore
A lamb's head on my lap
Days pass like weeks
Without the sightThen comes
The fury of the lullaby
Then comes
The fury of the lullabyAnd heartbeat in a hole
An eyeball loose and wild
Droppin' memories
Out upon the open tilesAnd over to the left
There sit the loveless ones
Crying slowly
And sucking on a gunThen comes
The fury of the lullaby
Then comes
The fury of my lullabyThenDo you wear the mark?
Do you wear the mark?
Darlin', darlin'
Do you wear the mark?Darlin', do you wear the mark?
Darlin', do you wear in the dark?
Darlin', darlin' do you wear the mark?
