

Pony (feat. Gucci Mane)

Huntar

I'm just a bachelor, I'm looking for a partner
Someone who knows how to ride without even falling off
They gotta be compatible, yeah, that takes me to my limits
And girl, when I break you off
I promise that you won't wanna get off If you're horny, let's do it, ride it, my pony
My saddle's waitin', come and jump on it
If you're horny, let's do it, ride it, my pony
My saddle's waitin', come and jump on it Sitting here flossin' and peepin' your steelo
And just once if I have the chance
The things that I would do to you
You and your body, every single portion
Send chills up and down your spine
Juices flowing down your thigh
If you're horny, let's do it, ride it, my pony
My saddle's waitin', come and jump on it
If you're horny, let's do it, ride it, my pony
My saddle's waitin', come and jump on it I'm in a drop top 'Rari with a horse on it
You know that this the heat, you hear my voice on it
The Rollie on my wrist, it cost a Porsche, don't it?
And I'ma let you get this dick, just give me one moment
One night only, I'll never leave you lonely
And baby, you can call me, but only when you're horny
Pull up in the evening, then fuck you 'til the morning
And we don't need no reason, just call me when you need me
I'm the King, don't play for Cleveland
I'll bless you like you're sneezing
Gucci Mane so freaky, I'll fuck you while you're bleeding
Tricking out this even and I'm tricking like I'm treating
I love it when she tease me, but hate it when she leaving
If you're horny, let's do it, ride it, my pony
My saddle's waitin', come and jump on it
If you're horny, let's do it, ride it, my pony
My saddle's waitin', come and jump on it
My pony If you're horny, let's do it, ride it, my pony
My saddle's waitin', come and jump on it
