

# Your Ex-Lover Is Dead (Final Fantasy)

## Stars

When there's nothing left to burn you have to set yourself on fire  
God that was strange to see you again  
Introduced by a friend of a friend  
Smiled and said "Yes I think we've met before"  
In that instant it started to pour,  
Captured a taxi despite all the rain  
We drove in silence across Pont Champlain  
And all of the time you thought I was sad  
I was trying to remember your name  
This scar is a fleck on my porcelain skin  
Tried to reach deep but you couldn't get in  
Now you're outside me  
You see all the beauty  
Repent all your sin  
It's nothing but time and a face that you lose  
I chose to feel it and you couldn't choose  
I'll write you a postcard  
I'll send you the news  
From a house down the road from real love  
Live through this, and you won't look back  
Live through this, and you won't look back  
Live through this, and you won't look back  
There's one thing I want to say, so I'll be brave  
You were what I wanted  
I gave what I gave  
I'm not sorry I met you  
I'm not sorry it's over  
I'm not sorry there's nothing to save  
I'm not sorry there's nothing to save
