

Legal Man (Live In Belfast, 2001)

Belle and Sebastian

L O V E, love, it's coming back, it's coming back
L O V E, love, it's coming back, it's coming back Refer to our discussions, confirm the terms of our love affair
I exercise all options and I know I'll see you there L O V E, love, it's coming back, it's coming back
L O V E, love, it's coming back, it's coming back Notwithstanding provisions of clauses 1, 2, 3 and 4
Extend contractual period, me and you for evermore You're the Legal Man, you've got to prove that you're no
liar
I'll render services that you may reasonably require L O V E, love, it's coming back, it's coming back
L O V E, love, it's coming back, it's coming back Get out of the city and into the sunshine
Get out of the office and into the springtime
Get out of the city and into the sunshine
Get out of the office and into the springtime Get out of the city and into the sunshine
Get out of the office and into the springtime
Get out of the city and into the sunshine
Get out of the office and into the springtime
