

Driftin'

Eric Clapton

I'm driftin' and driftin', just like a ship out on the sea
I'm driftin' and driftin', just like a ship out on the sea
Well I ain't got nobody, in this world to care for me
If my baby, would only take me back again
I would feel much better darling, and at least I'd have a friend
I give you all my money, tell me what more can I do
You is a sweet little girl, but I swear you won't be true
I'm driftin' and driftin', just like a ship out on the sea
I'm driftin' and driftin', just like a ship out on the sea
Because I ain't got nobody, in this world to care for me
