River in My Dreams

Incognito

There's a river in my dreams
Flowing endlessly to you
There's a river in my dreams
Flowing endlessly to you
There's a river in my dreams
There's a river in my dreamsThere is no place where I can go
Without you here, close to my heart
When I close my eyes, I see your face
Baby, I wanna feel your warm embraceThere's a river in my dreams
Flowing endlessly to you
There's a river in my dream
