

# Cocoon (Rosetta Stone Mix)

## Switchblade Symphony

She is flying  
Soaring through the air up there  
My butterfly  
In the sky she loves to spy  
She's way up high  
My butterfly Floating in the sky  
In her state of mind  
Her state of mind (x4) She is flying  
Soaring though the air up there  
My butterfly
