Forever, Pt. II (feat. Kaleem Taylor)

Snakehips

(Forever you got me knocked down)
(Forever you got me knocked down)
(Forever you got me knocked down)
(Forever you got me knocked down)How's the point of disbelieving?
Were you above the borderline?
You pushed me right into the deep end, girl
Ain't got no choice but take the dive(Forever you got me knocked down)
Forever in my life I see you
(Forever you got me knocked down)
Forever you're in my life, I can't lose
(Forever you got me knocked down)
Forever I know where we're gonna break through
(Forever you got me knocked down)
Forever you got me, you got me knocked down
Knocked down, you got me knocked downHow's the part of my defenses?
Were you above the edge of time?
You're playing right into my weakness, girl
Ain't got no choice but lose the fight(Forever you got me knocked down)
Forever in my life I see you
(Forever you got me knocked down)
Forever you're in my life, I can't lose
(Forever you got me knocked down)
Forever I know where we're gonna break through
(Forever you got me knocked down)
Forever you got me, you got me knocked down
Knocked down, you got me knocked downI can't deny it's early for these feelings
Can't explain where we'll begin
But I've learned some things happen for a reason
So I walked into you knowing will I get(Forever you got me knocked down)
Forever in my life I see you
(Forever you got me knocked down)
Forever you're in my life, I can't lose
(Forever you got me knocked down)
Forever I know where we're gonna break through
(Forever you got me knocked down)
Forever you got me, you got me knocked down
Knocked down, you got me knocked down(Forever you got me knocked down)
Forever in my life I see you
(Forever you got me knocked down)

Forever you're in my life, I can't lose
(Forever you got me knocked down)
Forever I know where we're gonna break through
(Forever you got me knocked down)
Forever you got me, you got me knocked down
Knocked down, you got me knocked down
