

Soul of Ice

Blutengel

I met you in the darkness,
You shivered and you cried...
You looked so pretty,
With tears in your eyes

You tried to touch my hand,
I carried you away
I thought that I could hold you,
But you left me all alone

I met you in the darkness,
You shivered and you cried...
You looked so pretty,
With tears in your eyes

You tried to touch my hand,
I carried you away
I thought that I could hold you,
But you left me all alone

And I can feel your soul of ice,
You hide yourself behind these lies
You became a creature of masquerade
It's your bleeding heart you hate
You're building a wall of confusion and lies,
Nobody can hear your silent cries
But when you sleep you dream of me
And I kiss you in your dreams...
(x2)

You disappeared in the darkness of the night
I wanted to follow you but something stopped me...
Was this a dream? ...of a fallen angel...
It must have been an angel with broken wings!

And I can feel your soul of ice,
You hide yourself behind these lies
You became a creature of masquerade
It's your bleeding heart you hate
You're building a wall of confusion and lies,

Nobody can hear your silent cries
But when you sleep you dream of me
And I kiss you in your dreams...
(x2)
