

More Than a Woman

Aaliyah

Passion, instant
Sweat me, feel me
Cupid's shot me
My heartbeat's racing Tempt me, drive me
Feels so exiting
Thought of highly
It's yours entirely I'll be, I'll be more than a lover
More than a woman
More than your lover I'll be, I'll be more than another
More than a woman
More than another I'll be
(I'll be more)
More than your lover (More)
More than a woman
(More)
More than your lover I'll be
(I'll be more)
More than a lover (More)
More than a woman
(More)
More than another Midnight grindin'
My heart rate's climbin'
You go, I go
'Cause we share pillows Taste me, feed me
There's still no separating
Morning massages
With new bones in your closet I'll be, I'll be more than a lover
More than a woman
More than your lover
I said I'll be I'll be, I'll be more than another
More than a woman
More than another I'll be
(I'll be more)
More than your lover (More)
More than a woman
(More)
More than your lover I'm gonna be
(I'll be more)
More than a lover

(More)
More than a woman
(More)
More than another I don't think you're ready
I don't think you're ready for this thing
For this thing I don't think you're ready for this thing
You're not ready
I don't think you're ready for this thing
This thing, this thing
I don't think you're ready for this thing Constant pressures
No scale can measure
Secret treasures
Keeps on getting better Do you wanna roll with me?
We can go to foreign lands
Your hand in my hand
Do you wanna ride with me? We can be like Bonnie & Clyde
Be by your side I'll be more than a lover
More than a woman
More than your lover
I'll be more than another More than a woman
More than another
(I'll be more)
More than your lover (More)
More than a woman
(More)
More than your lover
(I'll be more)
More than a lover (More)
More than a woman
(More)
More than another
