Just Like You

Halo Friendlies

I'm cynical
Always available
Waiting for my number to be called
I'm skeptical
I can't control it
Don't know if I ever will get caught
I don't need someone to tell me who I am
I don't need a lot of words
To help me understand
That I'm just like you only betterI'm hesitant
Call the president
And maybe he will say a prayer for me
I'm a hypocrite
I can't afford it
Consequences are expensive friendsI'll never let you down
'Cause I'll never be around
Long enough for you to see inside of me
And I'll never hurt you baby
And I'll never tell you lies
I'll only tell myself what I want to believe
