

# Road to Nowhere (Early Version)

## Talking Heads

Well we know where we're going  
But we don't know where we've been  
And we know what we're knowing  
But we can't say what we've seen  
And we're not little children  
And we know what we want  
And the future is certain  
Give us time to work it out Yeah We're on a road to nowhere  
Come on inside  
Taking that ride to nowhere  
We'll take that ride  
I'm feeling okay this morning  
And you know  
We're on the road to paradise  
Here we go, here we go We're on a ride to nowhere  
Come on inside  
Taking that ride to nowhere  
We'll take that ride  
Maybe you wonder where you are  
I don't care  
Here is where time is on our side  
Take you there, take you there We're on a road to nowhere  
We're on a road to nowhere  
We're on a road to nowhere There's a city in my mind  
Come along and take that ride  
And it's alright, baby, it's all right  
And it's very far away  
But it's growing day by day and it's all right  
Baby, it's all right  
Would you like to come along  
You can help me sing the song  
And it's all right, baby, it's all right  
They can tell you what to do  
But they'll make a fool of you  
And it's all right, baby, it's all right There's a city in my mind  
Come along and take that ride  
And it's alright, baby, it's all right  
And it's very far away  
But it's growing day by day and it's all right

Baby, it's all right, yeah  
Would you like to come along  
You can help me sing the song  
And it's all right, baby, it's all right  
They can tell you what to do  
But they'll make a fool of you and it's all right  
Baby, it's all right We're on a road to nowhere  
We're on a road to nowhere  
We're on a road to nowhere We're on a road to nowhere
