

Bitten By the Wolf

Chickenfoot

Rollin' down to Pontchartrain
Honeysuckle running through her veins
Up and down on the great Big Easy
Hold on till the levee breaks Woah, woah, woah, woah
(Oh yeah) yeah, yeah, yeah, yeah Whoa, Baptize you up in the muddy water
Bring you down, down, down to New Orleans
Whoa, wash the sweet salt sweat from your mortal body, whoa
Baby oh baby now we gon' live forever Gon' live forever, live forever
Way down in New Orleans
Woah, yeah
Whoa, down in New Orleans, oh baby Walkin' now down Magazine
Dakota jumped out Bourbon Street
When the sun goes down, wake me up
When the sun comes up, I'm going down, whoa Woah, woah, woah, woah (yeah)
Yeah, yeah, yeah, yeah Baptize you up in the muddy water
Resurrect you down, down, down to New Orleans
Whoa, wash the sweet salt sweat from your mortal body
Woah, baby, oh baby now, we gon' live forever We gon' live forever, we gon' live forever
Way down in New Orleans
Woah, yeah
Woah, down in New Orleans, whoa Yeah, yeah, ooh
We gon' live forever down in New Orleans
Down in New Orleans
Down in New Orleans
Hey, down in New Orleans Yeah Oh yeah
Ooh, baby, now
We gon' live forever
Way down in New Orleans
