

# Revive Us

## Todd Smith

God of all mercy  
We're asking for mercy again  
    Forgive us for being okay  
    With where our hearts have been  
    Calloused and cold, unmoved and unbroken  
    This is where we start againRevive us  
        Oh, how we need You  
        Revive us  
        Oh, Lord, we cry out  
        Bring us back to life  
        With Your glory and fire  
        Revive us  
        Revive us  
    It just takes a spark in one heart  
        That cries out to You  
        It's the secret confessed  
    In the light of Your mercy and truth  
        It's a "Yes, I will go"  
        It's a child coming home  
    This is where we start againRevive us  
        Oh, how we need You  
        Revive us  
        Oh, Lord, we cry out  
        Bring us back to life  
        With Your glory and fire  
        Revive us  
        Revive us  
    Every other love is not enough to last  
        You've always been the first  
        So, Lord, we're running back  
    Every other love is not enough to last  
        You've always been the first  
    So, Lord, we're running back to You  
        Back to YouRevive us  
        Oh, how we need You  
        Revive us  
        Oh, Lord, we cry out  
        Revive us  
        Oh, how we need You

Revive us  
Oh, Lord, we cry out  
Bring us back to life  
With Your glory and fire
