

# Won't Give In

## Stricken

You call me up, I'll say a few words  
But I'll try not to speak too long  
Please to be kind and I'll try to explain  
I'll probably get it all wrong  
What does it mean when you promise someone?  
That no matter how hard or whatever may come  
It means that I won't give in  
Won't give in, won't give in  
'Cause everyone I love is here  
Play it once, disappear  
Once in a while I return to the fold  
With people I call my own  
Even if time is just a flicker of light  
And we all have to die alone  
What does it mean when you belong to someone?  
When you're born with a name, when you carry it on  
It means that I won't give in  
Won't give in, won't give in  
'Cause everyone I love is here  
All at once, and I'll show you how to get me there  
Come on now, come on now, can you feel it, I can see it in ya  
Come on now, come on now, reveal it, turn around won't ya  
The right time, the right place, right now, turn around  
A chance is made, a chance is lost  
I carry myself to the edge of the earth  
It means that I won't give in  
Won't give in, won't give in  
'Cause everyone I love is here  
Say it once, just say it and disappear
