

# Art

## Chrisette Michele

You're talking to Prince, you're talking to Beyonce, you're talking to Janelle Monae

When you're talking to me, you're talking to art

You're talking to Sting, you're talking to Ozzie, you're talking to Pharell and Frank

When you're talking to me you're talking to art I'm aware of the mess I made y'all

Yeah yeah yeah

I'm aware of the ego

Go go

I ain't stressed by the time I take y'all

No no no

It's all apart of the show

ShowSo don't you worry about a thing man

Don't you worry about a thing man

'Cause I'm good in the hood

No the fame ain't the aim

I'm cool in the streets

## Kill the news

## Drop the beat

Oh OhSome days I wish I was Ye or Drake yeah

Yeah yeah yeah

Truth is I got a bit of both

Both both'Cause I wasn't born with a funk to fake

## Fuck fan fare for the folks

'Cause I ain't worried 'bout a thing man

No I ain't worried about a thing man

'Cause I'm good in the hood

No the fame ain't the aim

I'm cool in the streets

## Kill the news

## Drop the beat

Oh OhThe fame, the fame

The fame, the fame

The fame, the fame

The fame, the fame

The fame, the fame

The fame, the fame

The fame, the fame

The fame, the fameThe art, the art

The art, the art

The art, the art

The art, the art  
The art, the art  
The art, the art  
The art, the art  
The art, the art  
Oh Oh 'Cause I ain't worried 'bout a thing man  
No I ain't worried about a thing man  
'Cause I'm good in the hood  
No the fame ain't the aim  
I'm cool in the streets
