Larytta - Osama Obama
You don't understand that I am not a man you can keep as a friend or a foe
I will cheer you up then I will bring you down, roller coaster of your soul
Watch me in the skies and see me on the ground before I disappear foreverWe don't belong, to the same song x3
We don't belongCause I'm a....Osama Obama

Osama ObamaaaaaaYou can see me dance, there's a little chance, that I might let you go
You will understand that every now and then, thereby for our love will grow
Don't you remember that things are not over, until I tell you soWe don't belong, to the same song x3
We don't belongOsama Obama
