

# Nothing At All

## Darkbuster

So your tired, You've been beat up  
Your lying face down on the floor  
You dont worry what you look like  
You smell like shit and alchol

And you've got no friends You've Been Left With Nothing At All So your tired, You've been beat up  
Your lying face down on the floor  
You dont worry what you look like  
You smell like shit and alchol

And you've got no friends You've Been Left With Nothing At All  
You've Been Left With Nothing At All  
You've Been Left With Nothing At All

And you've got no friends So your lying in your room and  
Your waiting by your telephone  
You dont wonder why your home  
Your just wondering why your all alone

And you've got no friends You've Been Left With Nothing At All  
You've Been Left With Nothing At All  
You've Been Left With Nothing At All

And you aint got no, you aint got no friends  
You've been left with nothing at...

Left with nothing at all  
Left with nothing at all  
Left with nothing at all  
Left with nothing at all

And you aint got no, you aint got no friends  
You've been left with nothing at all
