Angels

David Archuleta

I sit and wait
Does an angel contemplate my fate?
And do they know the places where we go
When we're gray and old?'Cause I've been told
That salvation lets their wings unfold
So when I'm lying in my bed
Thoughts running through my head
And I feel that love is dead
I'm loving angels insteadAnd through it all she offers me protection
A lot of love and affection, whether I'm right or wrong
And down the waterfall wherever it may take me
I know that life won't break me
When I come to call she won't forsake me
I'm loving angels insteadWhen I'm feeling weak
And my pain walks down a one way street
I look above
And I know I'll always be blessed with love, ohAnd as the feeling grows
She breathes flesh to my bones
And I feel that love is dead
I'm loving angels insteadAnd through it all she offers me protection
A lot of love and affection, whether I'm right or wrong
And down the waterfall wherever it may take me
I know that life won't break me
When I come to call she won't forsake me
I'm loving angels insteadThrough it all she offers me protection
A lot of love and affection whether I'm right or wrong
And down the waterfall wherever it may take me
I know that life won't break me
When I come to call she won't forsake me
I'm loving angels instead, oh
I'm loving angels instead
