Mr Wilson

John Cale

I believe you, Mr Wilson
I believe you anyway
And I'm always thinking of you
When I hear your music playAnd you know it's true
That Wales is not like Californ-i-a in any way
And when I listen to your music
You're still thousands of miles awayTake your mixes, not your mixture
Add some music to our day
Don't believe the things they tell you
Don't let them get in your wayAnd you know it's true
That Wales is not like Californ-i-a in any way
And when I hear your music
You're still thousands of miles awayWhisper whisper
Got a monkey on my back
Whisper whisper
Tell your tale and scratch my back'Nette Funicello
Though I never met you once
I know all your movies
In the Sea and SerenadeAnd you know it's true
That Wales is not like Californ-i-a in any way
And every time I hear your music
You're still thousands of miles awayCalifornia wine tastes fine
