Because Of You

Kym Marsh

my rainbow never ended
with a pot of gold
no happy ever after
no hands to hold
then you opened your eyes
for the very first time
such a beautiful day
all the dreams that I needed
were there in my arms
it took my breathe away
your my love
your my life
your the world
upon my hands
every word
every smile
all I need to understand
nothing more
could I need
now that every dreams come true
and its all because of you
sleep tight now little angels
may god bless you
don't be afraid of dreaming
coz mommas watchin you
sing a sweet lullaby
for the tears that you cried
kiss your fears away
every cloud in the sky
now it passes me by
you bring a brighter day

your my love
your my life
your the world
upon my hands
every word
every smile
all I need to understand

nothing more
could I need
now that every dreams come true
and its all because of you
yes its all because of you
cus ur my brightest star
when ur face lights up
with laughter
ill give you cuddles and kisses
and happy ever after
and the best thing is
knowing you love me too
your my love
your my life
your the world
upon my hands
every word
every smile
all I need to understand
nothing more
could I need
now that every dreams come true
and its all because of you
yeh its all because of you
