

# Siamese Twins (Live In Brussels 6/82)

## The Cure

I chose an eternity of this  
Like falling angels  
The world disappeared  
Laughing into the fire  
Is it always like this?  
Flesh and blood and the first kiss  
The first colours  
The first kiss  
We writhed under a red light  
Voodoo smile  
Siamese twins  
A girl at the window looks at me for an hour  
Then everything falls apart  
Broken inside me  
It falls apart The walls and the ceiling move in time  
Push a blade into my hands  
Slowly up the stairs  
And into the room  
Is it always like this? Dancing in my pocket  
Worms eat my skin  
She glows and grows  
With arms outstretched  
Her legs around me In the morning I cried Leave me to die  
You won't remember my voice  
I walked away and grew old  
You never talk  
We never smile  
I scream  
You're nothing  
I don't need you any more  
You're nothing It fades and spins  
Fades and spins Sing out loud  
We all die  
Laughing into the fire Is it always like this?  
Is it always like this?  
Is it always like this?
