Are They Saying Goodbye

Ane Brun

Are they saying goodbye
Or is it just like before
Could it be that I, made him love her more
Does he course upon my face
Do I symbolise this grace
Could it be that I, made him love her moreWell I refuse to go to deeper I choose to go blind
This trouble just shouldn't be mine
But its confusing my existence, it's contruding my mind
I guess this trouble is also mineSo I course upon his face
He's a symbol of my own mistakes
Could it be that she makes me love him more
I ah, oh, ah,Well I refuse to go to deeper I choose to go blind
This trouble just shouldn't be mine
But its confusing my existence, it's contruding my mind
I guess this trouble is also ah, oh,
I refuse to go to deeper I choose to go blind
This trouble just shouldn't be mine
But its confusing my existence, it's contruding my mind
I guess this trouble, this trouble, this trouble is also mine.
