

# Are They Saying Goodbye

[Ane Brun](#)

Are they saying goodbye  
Or is it just like before  
Could it be that I, made him love her more  
Does he course upon my face  
Do I symbolise this grace  
Could it be that I, made him love her more Well I refuse to go to deeper I choose to go blind  
This trouble just shouldn't be mine  
But its confusing my existence, it's contruding my mind  
I guess this trouble is also mine So I course upon his face  
He's a symbol of my own mistakes  
Could it be that she makes me love him more  
I ah, oh, ah, Well I refuse to go to deeper I choose to go blind  
This trouble just shouldn't be mine  
But its confusing my existence, it's contruding my mind  
I guess this trouble is also ah, oh,  
I refuse to go to deeper I choose to go blind  
This trouble just shouldn't be mine  
But its confusing my existence, it's contruding my mind  
I guess this trouble, this trouble, this trouble is also mine.
