

We Are the Clash

The Clash

Punk rockers, hip-hoppers
Brit poppers, show stoppers
Beboppers, hair droppers
Are you ready to sing? Right wing, left wing
I want something
To see me through (???)
Bout what do you think We ain't gonna be treated like trash
We got one thing
We are the Clash
What?
We are the Clash
It's like a patch
You can strike that match With my guitar now
(???) last dance
I see them where they (???)
How they usually stay Beating on a drum
Did they tell them 'take it in'
Got the (???)
Where the fat boy blew We ain't gonna be treated like trash
We got one thing
We are the Clash
That's right
We are the Clash
It's like a patch
You can strike that match Home fires burnin'
In motorcycle city
The rockin' gods will choose
If I'm worthy to live
The first (???) engine
(???) forty-six
And there's no more (???)
To imitate respect We ain't gonna be treated like trash
We got one thing
We are the Clash
Don't take no shit
We are the Clash
Do ya hear me?
It's like a patch

You can strike that match
