Falling

Ether Aura

Dreaming in Lullabies
To sleep now just close your eyes
I feel every breath you take
And hear every sound you make
I?m falling
I?m falling
I?m falling for you

Dreaming in Lullabies
The sweetness of Memorize
Be with you every day
And know all the things to say
I want the world to see
The lovely way you can be
The sweet and the soft and your funny side
I hope you will stay for another night
I?m falling
I?m falling
I?m falling for you

I want the world to see
The lovely way you can be
The sweet and the soft and your funny side
I hope you will stay for another night
I?m falling
I?m falling
I?m falling for you
I?m falling
I?m falling
I?m falling for you
