

# For The First Time In Forever

Kristen Bell, Agatha Lee Monn & Katie Lopez

Anna:

The window is open, so's that door  
I didn't know they did that anymore  
Who knew we owned eight thousand salad plates? For years I've roamed these empty halls  
Why have a ballroom with no balls?  
Finally they're opening up the gates There'll be actual real live people  
It'll be totally strange  
But wow, am I so ready for this change 'Cause for the first time in forever  
There'll be music, there'll be light  
For the first time in forever  
I'll be dancing through the night Don't know if I'm elated or gassy  
But I'm somewhere in that zone  
Cause for the first time in forever  
I won't be alone I can't wait to meet everyone! (gasp)  
What if I meet... the one? Tonight imagine me gown and all  
Fetchingly draped against the wall  
The picture of sophisticated grace  
Ooh! I suddenly see him standing there  
A beautiful stranger, tall and fair  
I wanna stuff some chocolate in my face But then we laugh and talk all evening,  
Which is totally bizarre  
Nothing like the life I've had so far For the first time in forever  
There'll be magic, there'll be fun  
For the first time in forever  
I could be noticed by someone And I know it is totally crazy  
To dream I'd find romance  
But for the first time in forever  
At least I've got a chance Elsa:  
Don't let them in, don't let them see  
Be the good girl you always have to be  
Conceal, don't feel, put on a show  
Make one wrong move and everyone will know Elsa:  
But it's only for today  
Anna:  
It's only for today Elsa:  
It's agony to wait  
Anna:  
It's agony to wait Elsa:  
Tell the guards to open up the gates

Anna:  
The gatesAnna  
For the first time in forever  
Elsa:  
Don't let them in, don't let them seeAnna:  
I'm getting what I'm dreaming of  
Elsa:  
Be the good girl you always have to beAnna:  
A chance to change my lonely world  
Elsa:  
ConcealAnna:  
A chance to find true love  
Elsa:  
Conceal, don't feel, don't let them knowAnna:  
I know it all ends tomorrow,  
So it has to be today  
'Cause for the first time in forever  
For the first time in forever  
Nothing's in my way!
