

Albarku

solomon lange

Reminiscing on the love you shown me since I was a baby
Youâ€™ve always been there
Even when I threw your love back at your face, you still forgave me
Your mercy donâ€™t fail
Since the day I accepted your love my life has changed
Now I have an inheritance in you
Your power at work in me

CHORUS:

Albarku, suna zubowa
Kamar yayafin ruwan sama
Albarku, suna zubowa
Kamar yayafin ruwan sama
Albarku, suna zubowa
Kamar yayafin ruwan sama
Albarku, suna zubowa
Kamar yayafin ruwan sama

VERSE 2

Meditating on the grace you gave to me to change the nations
With the word of peace (word of peace)
Such a honor to be called by your name and to be counted
Among your own
Youâ€™re the king, and youâ€™re the captain of this winning side
Setting all the captives free
By the power of your name
Power of your name

CHORUS:

Albarku, suna zubowa
Kamar yayafin ruwan sama
Albarku, suna zubowa
Kamar yayafin ruwan sama
Albarku, suna zubowa
Kamar yayafin ruwan sama
Albarku, suna zubowa

Kamar yayafin ruwan sama
