Purple Heart

Imaginary Cities

What's bothering you now
You've got a weight
Slowing you down
Pushing further to the ground
Happy heartThere's something on your mind
Are these the same old stories
Takin' up your time
Let it go for once, try
Time to styleLost the battle in the war
So take the order of a purple heart
Seems like life has made you sore
So take the order of a purple heart
Take the order of a purple heartAll the bridges that you built
They're going down in flames
Cards that you were dealt
Everything is going to hell
So far goneBut I can never understand
How it is that you
Deny a helping hand
Now they'll try and wrap the man
Who you areLost the battle in the war
So take the order of a purple heart
Seems like life has made you sore
So take the order of a purple heart
Take the order of a purple heartSwinging lights away
From the bathroom floor
Ooh but he can't hear
What you're crying for
Ooh, purple heart
Ooh, purple heartTake the order of a purple heart [x4]
