Don't You Go

Mpress

Can't you see it in my eyes? I'm saying
Don't you go
So many reasons you should stay here, baby
Don't you go, don't you go
Can't you feel it in my fingertips?
In the way I hold you when we kiss
If you wanted we could stay like this forever
Don't you go
You can save your plans for another time
Stay here baby, and be mine
Don't you know, oh, oh
This is the only place we need to be right now
Don't you go
The bed's still warm and it's still waiting
Don't you go
To watch you leave would drive me crazy
Don't you go, don't you go
It maybe selfish baby, but I can't help
That I want you all to myself
Wanna lay you down so we can melt together

Don't you go
You can save your plans for another time
Stay here baby, and be mine
Don't you know, oh, oh
This is the only place we need to be right now
Let me show you how I love you
Can't believe how much I need you
Baby, there ain't nothing I won't do for you
Turn around, come back to me
Close the door and drop the keys
Every part of me is begging please
Don't you go
You can save your plans for another time
Stay here baby, and be mine
Don't you know, oh, oh
This is the only place we need to be right now
Oh, this is the only place we need to be right now
Don't you go
