## Bonobo

Promise me, do you make?

That when I'm my best...

I want to know... you're safe and sound,

That's when I'm my best... Promise me, do you make?

That when I'm my best...

I want to know... you're safe and sound,

That's when I'm my best... Promise me, do you make?

That when I'm my best...

I want to know... you're safe and sound,

That's when I'm my best... Promise me, do you make?

That when I'm my best...

I want to know... you're safe and sound,

That's when I'm my best...

Promise me, because you cannot stay,

But I want to know...

That you're safe and sound asleep,

That's when I'm my best you see...
