Hey, girl, this yo song, let's see that badonkadonk  
I'mma try to do the things that you don't  
Baby, it's yo party, I just wanna play  
What's that sound? What's that thang that's got me like wow?  
I'm tryna beat beat it up twelve rounds  
Girl, look at that body, I just gotta say When you back back back back it up  
And you drop it down low  
And you pick pick pick pick pick it up  
Girl, I'm ready to blow  
I'mma stack stack stack stack it up  
And I'm spending it all  
When I throw throw throw throw it up Start twerkin' like Miley  
Twerkin' like Miley  
Start twerkin' like Miley  
Twerkin' like Miley You got everybody in this club lookin' at you girl  
How you move that thing from side to side  
Fuck everybody in this club, 'cause I got you girl  
I'mma tell you what's goin' down tonight  
Girl, it's gon' rain, that's that sound  
That's that shit that's got you like wow  
And would you let me beat beat twelve rounds  
Baby, look at that body, I just gotta say When you back back back back it up  
And you drop it down low  
And you pick pick pick pick pick it up  
Girl, I'm ready to blow  
I'mma stack stack stack stack it up  
And I'm spending it all  
When I throw throw throw throw it up Start twerkin' like Miley  
Twerkin' like Miley  
Start twerkin' like Miley  
Twerkin' like Miley I know you wore them jeans  
So I can see that thong thong thong thong

Thong thong thong thong thong  
Pop it like Miley  
And don't forget that tongue tongue tongue tongue tongue  
Tongue tongue tongue tongue tongue  
Twenty more shots then I pass out  
But that's what I'm aiming for  
Baby, let me drown  
When I wake up, I'm still in the club  
Looking at the DJ, like turn my shit up, oh  
So when the beat beat beat beat beat drops  
Get your ass on the floor Start twerkin' like Miley  
Start twerkin' like Miley  
Start twerkin' like Miley  
Start twerkin' like Miley  
Start twerkin' like Miley  
Twerkin' like Miley  
Start twerkin' like Miley
